Uganda the pearl of Africa

Uganda called the “pearl of Africa” teems with wildlife, the beautiful waters of Lake Victoria and fertile soil. Yet, this rich land harbors a dark history. The brutal dictatorship of Idi Amin, poverty, addiction, border strife, malaria and AIDS has ravaged life in Uganda, especially the lives of children.

LOVE AND
CARE FAMILY
INTERNATIONAL

Members of the U.S. Love and Care Family visit with their Ugandan counterparts in Kampala.

WHO WE ARE

The mission of the Love and Care Family International is to provide a loving home, education, food and spiritual nourishment to abandoned and orphaned children in Uganda. Christians from several churches in the U.S. are joining with Christians in Uganda to bring hope to these at risk children.

Through the vision and outstanding leadership of Dr. Sylvia Tamusuza 24 children receive the benefits of living in a family instead of the streets. The Love and Care Family International is a grass-roots partnership between caring Christians to answer God's call to serve the young and vulnerable.

MAKE THE CONNECTION

We need Christians who would like to spread the word about the Love and Care Family International in their churches, schools and friendship circles. In the near future we will need short-term team members who would be willing to travel to Uganda to share their knowledge and skills and bring back what they learn about Uganda to the U.S.

SPONSOR A CHILD

Love and Care Family International offers two sponsorship programs. 1). The Miriam Duggan Home that provides shelter, food, education and spiritual nurture for children by creating a home modeled on the traditional Ugandan extended Family. 2). The Oliva Kinship Program places

orphaned children in loving Christian families by providing education fees and other resources that allow poorer families to take children

Older children help younger ones

into their homes. Both of these programs seek sponsors for children.

HELP WITH THE BUILDING

Situated on beautiful acreage outside of Kampala the new Miriam Duggan Home and community center will provide not only a home to the children but also a place for both the children and community to receive training in occupational skills as well as immunization clinics, Bible studies and basic health instruction.
